

## CHANGES IN DIRECTORY

Information for Telephone Users  
Regarding New Names and  
Changes in Telephone  
Directory

### PASTE IN YOUR DIRECTORY

Since the Alliance telephone exchange was taken over by the Nebraska Telephone Co. subscribers have been given a good telephone directory service, a new directory being issued every four months; but changes are so frequent, new names being added, so that within a few days after being issued it is necessary to begin revising the directory at the telephone office. For the convenience of telephone users we print below a list of changes that have been made since the last directory was printed. We suggest that you paste this list in your directory, then go through the directory and check those names having their numbers changed. This will make it an easy matter to tell when it is necessary to refer to the list of corrections. In the lists of names below we give first those whose telephone numbers have been changed since publication of the last directory, and following those a list of phones that have been installed since that time.

#### BECKWITH-HOWELL

To one who views life at its true worth, the union in holy bonds of matrimony of two worthy persons is an occasion of sincerest congratulations. It affords The Herald unfeigned pleasure to record the wedding of Mr. Roy Stone Beckwith, a prominent business man of Alliance, and Miss Mahala Maud Howell, formerly of Gordon, Nebr., but who has for the past six or seven years made her home in Chicago. The happy event took place in that city at the home of the bride's parents, Mr. and Mrs. J. C. Howell, September 23, 1911, Rev. C. DeW. Brower officiating.

Mr. and Mrs. Beckwith arrived in Alliance last Friday. Since then Roy has been showered with the congratulations of his many friends, and Mrs. Beckwith has received a cordial reception and the best wishes of Alliance people, in which The Herald is glad to join. They make their home in the Beckwith residence, 408 Toluca avenue.

Hon. J. B. Strasburger of Strasburger, Sheridan county, had business in Alliance last Thursday and Friday. He and Mrs. Strasburger have been enjoying a visit from his two sisters and their husbands, Mr. and Mrs. J. C. Kessler and Mr. and Mrs. Grumbine, all of Chicago. They accompanied Mr. Strasburger to this city. His brother, Edward Strasburger, came over the evening before, accompanied by his wife and daughter, Miss Tula Strasburger. All of the above named, except J. B., went from here to Hot Springs Friday morning for an outing.

We are pleased to learn from Ora Phillips that his father has so far recovered that he expects him home from Omaha tomorrow morning.

## LOCAL PARAGRAPHS

Hugh Beal returned yesterday morning from a trip to Billings.

Harry Johnson has accepted the position of timekeeper with the C. B. & Q.

Mrs. W. R. Harper has accepted a position as saleslady at Norton's, the large fall trade at that establishment making an increase in the sales force necessary.

Mr. and Mrs. W. E. Howard and baby boy arrived in Alliance this morning for a visit with friends. Mr. Howard is an engineer, formerly of Alliance, but now of Deadwood.

J. H. Vaughn is in Kansas City on business this week.

W. H. Showers reports business at the Model Candy Kitchen good. Things are certainly kept in ship-shape at their stand. Call and see for yourselves.

C. E. Marks has added to his already good stock of harness goods that of Geo. A. Hills, which he purchased Tuesday of this week.

T. M. Jones of Lingle, Wyoming, is in the city between trains today. While in town he bought a car of spuds from Beal Bros. to ship to Wyoming. Mr. Jones is on his way to Clarinda, Ia., on business. He was formerly in the mercantile business at Wyncote, Wyo., but is now a resident of Lingle.

The business of the Alliance Fruit Co. has started out much better than the proprietors, Messrs. A. D. Rodgers, L. H. Highland and E. D. Mallery, had anticipated before launching the enterprise. As each of these gentlemen has other business that demands attention, they have taken into the partnership another member, D. W. Hughes, who will devote the most of his time, if not all, to this business.

S. C. Reck has already commenced work on the erection of the new building for the city electric light plant. This building is to be on the site of the old building, but as it will be larger, a good deal of the work on it can be done before the old building is torn down.

New electric light poles are being erected to take the place of those that have been in use for a number of years past, which have become unsafe on account of rotting.

Miss Nina Boysen, linotype operator at the Times office, left for Omaha Tuesday, taking a vacation, a part of which she expected to spend seeing Ak-Sar-Ben.

Sheriff Cox made a trip to Kearney the first of the week on official business.

The county commissioners have been in session since Tuesday, all three commissioners being present.

Miss Myrtle Knight of Denver, niece of Dr. F. M. Knight and sister of Reuben Knight, is visiting in Alliance. She has quite a circle of friends here who are making her visit very pleasant.

Mr. and Mrs. Henry Blume have moved back to Alliance from Sheridan county.

Dr. F. M. Knight's vacation and outing in Colorado did him a world of good and seems to have made him a number of years younger. The Herald is pleased to note his good health since his return.

The Misses Stuckey have been recently combining business and pleasure in their trips to Hyannis. They have a host of friends in and around that town, and we understand have been doing quite a good millinery business there.

Since W. H. Zehring has been absent on account of sickness there is an impression that his business has been suspended, but such is not the case, as G. H. Wood is acting as foreman in the absence of Mr. Zehring and the business is carried on the same as formerly. Any one wishing estimates on painting or papering may phone Mrs. Zehring, phone 287, and they will be given prompt and careful attention.

## HURRAH FOR OUR SIDE

Mary Egan Coming to the Front in the Lincoln Daily Star's Automobile Voting Contest

### GET BUSY AND BOOST NOW

When The Herald began boosting for Miss Mary Egan in the Lincoln Daily Star's great voting contest there were about a hundred contestants in this district ahead of her in the number of votes. Since then she has gained on her competitors until this week she reached a position where one new subscription to the Star for two years, voted for her, would place her at the head of the one hundred and fifteen contestants in District No. 8. This district includes about all of Nebraska west of Grand Island and Hastings and all territory outside of Nebraska.

We hope to see Miss Egan win. Although she resides at Hyannis she may be considered an Alliance girl. Having attended St. Agnes Academy she has many acquaintances and friends in this city.

The Herald is not running a subscription agency for the Lincoln Daily Star, but we look at it like this, if you intend to take the paper, why not subscribe now and request that the votes to which your subscription entitles you be cast for Mary Egan in District No. 8? If you are already a subscriber and intend to continue your subscription, why not send in your renewal before the close of this contest and give Miss Egan the benefit of the votes?

Subscriptions to the Star, either new or renewal, will be received at The Herald office and forwarded without charge during the remainder of the contest.

You can help a little by clipping the voting coupons out of the Star, filling in the name of the candidate and number of the district and sending them in. These do not count anywhere near as much as a subscription, but they help some.

### FAMILY REUNION

A very happy family reunion occurred at the home of Mr. and Mrs. Arthur Donovan in this city last Friday. Mrs. Belle Brown of Hemingford, Mrs. Donovan's mother, was present and all of her children, except one son who is at Lead, S. D. The others present were Mrs. Arthur Clark, Mrs. Geo. Hedgecock and Mrs. Emma Elder, all of Hemingford, and the unmarried daughters, Misses Edna, Della, Eva and Ella. Mr. Hedgecock was also present to enjoy the pleasures of the occasion. After the reunion Mrs. Brown and Edna and Ella remained in Alliance for a visit.

### No Naturalization Papers.

Fremont, Neb., Oct. 3.—A question may come up in regard to a number of naturalization papers that have been issued here. Martin Christensen of Uehling has been a witness for a number of applicants and it now turns out that he has no citizenship papers himself. Christensen runs a general store at Uehling and has been justice of the peace and a member of the village board.

### Farmer Victim of Own Gun Trap.

Arthur Krauter, living near Wilber, was shot by his own spring-gun wolf trap. He had arranged a coyote trap, a piece of meat being used as bait and attached to the trigger of a shotgun. Krauter was trying to drive a frightened calf into his barn and accidentally stumbled over the trap, kicking the bait. Both barrels of the gun were discharged into his feet and legs.

### Farmer Falls Forty Feet.

James Cummings, a farmer living near St. Edwards, fell forty feet from a windmill tower, alighting on his feet, breaking both ankles, the bones in his left hand and bones in the right hand and right forearm, leaving him unconscious for eight hours. He will be taken to the Columbus hospital for X-ray examination of the broken bones.

### Worm Attacks Wheat Fields.

Many small worms appeared in the wheat field of Wilber Hiatt, northwest of Odell, and after working twenty-four hours in the field destroyed about one-third of it. Mr. Hiatt round millions of them at work in the field and he will lose his crop if he does not find some way of destroying the pests, which work on the blades of the plant.

### Aldrich Honors Requisition.

Lincoln, Oct. 3.—Polsky and Neumann, the two men arrested in this city for stealing silk, who were taken to Omaha to be identified as operators of various businesses in that city, are to be taken to Cedar Rapids, Ia., on the charge of grand larceny. Governor Aldrich honored a requisition from the governor of Iowa for their return.

### Farmer Charged With Cruelty.

A warrant was sworn out for L. W. Workman, a farmer living near Broken Bow, charging him with beating a horse to death. Indignant neighbors making the complaint allege to have seen Workman from a distance use a pitchfork on the animal and finally resort to a heavy club.

### John D. Mann is Dead.

Lyons, Neb., Oct. 3.—John D. Mann died here at the home of his daughter from kidney trouble and old age. He was about eighty-six years of age and was of Scotch descent, and came to this country over a quarter of a century ago.
